Greetings animal lovers! We hope this message finds you well. We want to start by extending our heartfelt thank you for your unwavering support for Shelter Animal Resource Alliance (S.A.R.A.). It's because of compassionate individuals like you that we've been able to achieve so much this year and make a profound impact on the lives of animals and the community we serve. S.A.R.A. has experienced an eventful year, marked by both challenges and successes. Your contributions played a pivotal role in helping us navigate these trials and continue our mission. We are incredibly grateful for your commitment to our cause and your belief in the work we do. Rescuing animals that have no other options and providing resources and education to our community remain at the heart of our organization's mission.

In recent times, the demand for our services to our feline friends has reached an all-time high, while the resources available in our community continue to dwindle. This has made our work even more vital, as we continue to be the voice for those who cannot speak for themselves. Looking ahead to the holiday season, we are setting an ambitious goal. We aim to raise \$50,000 in the coming months. This funding is essential to support the cats and kittens in our program today, as well as to ensure that we can continue providing life-saving services to our community and to cats in need for years to come.

We understand all too well that the cost of living has increased for all of us. However, we can't reach our goal without your help. Your generous donations, no matter the amount, make a significant difference in our small, grassroots nonprofit organization. They are the foundation upon which we build brighter futures for animals and our community.

**Help us reach our \$50,000 goal and
create a world where cats are treated
like family!**

Your contribution will directly impact the lives of animals in need, and we're immensely grateful for your ongoing support. Thank you again for being an essential part of the S.A.R.A. family.

A Very Special Thank You

...to family and friends of [Jeffrey Murdock](#)! We are profoundly grateful for the generous donations made in his memory. Jeffrey was a big animal lover and what a meaningful way to honor his life. Your donations directly support the cats and kittens in our program and help us to provide vital services to the community to help the animals that need us. Being a small grassroots nonprofit, charitable gifts make a huge impact for our organization and play a major in helping us continue our lifesaving work!

Last month, our incredible volunteers came together for an afternoon of enthusiasm and remarkable teamwork to transform the outside areas of S.A.R.A.'s Treasures Gift, Thrift, & Cat Adoption Center into a vibrant, welcoming haven for our cats and visitors. It was a testament to the power of community and compassion. Thank you, volunteers, for your dedication!
